

Tennant 2140

Extremely quiet heavy-duty, compact single disc machine for professional wet or dry cleaning and preparation of floors. This multi-purpose floor machine is very comfortable to use and especially suitable for heavy cleaning tasks on a variety of floor types. Effortlessly removes all kinds of dirt and completely restores damage to coatings such as burns, rubber marks and firmly ingrained stains. Using brushes, pads and choosing from the extensive range of accessories, this versatile machine is ideal for:

- **Wet scrubbing and stripping of floors.**
- **Polishing and restoration of floor coatings and marble floors.**
- **Sanding and levelling of wooden floors.**
- **Shampooing carpets.**
- **Crystallisation and restoration of marble floors.**
- **Scouring industrial flooring.**

Features

- Low sound level (exceptionally quiet)
- Centre brush feed
- Ergonomically designed and comfortable to use handle
