

Tennant 250

The Tennant 250 is a powerful 3-speed blower that significantly reduces the drying time of wet or damp carpet, hard flooring and upholstery. The 250 produces a powerful airflow, reducing the drying time up to 50%. This high-performance blower is ideally suited for overnight cleaning and quick drying jobs. Using the 250, wet floors can accept traffic much sooner, avoiding interruptions of day-to-day activities.

Features

- Can be left unattended at all times
- Adjustable legs
- 3-Speed selectable operation
- Ergonomically built and lightweight
- Screened intake and exhaust apertures
- Roto-moulded polyethylene body
- Adjustable height

Benefits

- Safe and very easy to operate
- Allows airflow to be guided in almost any direction
- Optimises drying time
- Easy handling and transportation
- Increases safety
- Extremely durable
- Allows for better positioning

Applications

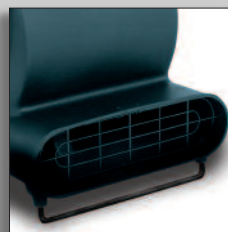

- Office buildings
- Hospitality sector
- Educational facilities
- Contract cleaning
- Healthcare

Easy to transport
