

# Tennant 3090

*The Tennant 3090 is the perfect vacuum solution to clean any obstructed or restricted area such as restaurants, boutiques, hotel rooms, theatres, etc. Extremely quiet and with filtration rating comfortably matching HEPA requirements. The Tennant 3090 allows back pack vacuuming to be a standard procedure in daily cleaning. Operators can now work in comfortable upright posture with a swivel tank coupling and a telescopic wand making it easy to reach anywhere.*

## Features

- Ergonomic, lightweight, double-wall design
- Comfortable harness
- Telescopic wand
- Special sound reduction
- Conical hose
- Micro filtration
- 6 Litre self-sealing double-ply filter bag

## Benefits

- Keeps motor heat off the operator's back and eliminates operator fatigue
- Allows air to pass between operator and machine
- Adjustable to operator's height
- Allows operation during daytime
- Increases productivity and prevents blockages
- Improves indoor air quality
- Large capacity, easy and dust free disposal

## Applications

- Healthcare
- Office buildings
- Educational facilities
- Hospitality sector
- Shopping centres

Easy to change filter bag
