

Tennant 6100

Compact and highly manoeuvrable, the battery driven Tennant 6100 with a cleaning path of 76cm to 97cm is designed to quickly sweep up dust and debris in areas too large for manual sweeping. Easy and comfortable to use, the Tennant 6100 sweeper can be moved around a facility to carry out various sweeping operations. Turns in tight spaces and fits through most doors. An extra side brush widens the cleaning path and provides edge cleaning on both sides of the machine.

Features

- Dual filter seal with VCS™ filter shaking cleaning system
- Overthrow sweeping system
- Long-lasting battery pack
- Glide-out hopper with large built-in wheels
- Perma filter
- Corner rollers
- No-tool brush replacement & dust filter change

Benefits

- Perfect dust control
- Ensures good performance even with worn brushes
- Extends runtime and increases productivity
- Easily transports debris
- Extends dust filter life
- Help to protect property and machine in tight spots
- Quick & easy maintenance

Applications

- Warehouse & distribution facilities
- Transport & logistics sector
- Manufacturing & production facilities
- Contract cleaning
- Parking lots

No-tool filter change

TECHNICAL SPECIFICATIONS 6100

76cm

Machine Dimensions		
Working width (single side brush)	cm	76
Working width (dual side brushes)	cm	97
Dimensions (l x w x h)	cm	152 x 81 x 118
Machine weight (net)	kg	280
Sweeping System		
Area coverage theoretical (max)	m ² /h	7760
Area coverage practical (max)	m ² /h	5330
Length main brush x dia	cm	56 x 28
Diameter side brush	cm	42
Sweeping principle		overthrow
Transaxle drive	yes/no	yes
Recovery System		
Panel filter capacity	m	23.1
Airflow	L/s	118
Hopper capacity, volume	L	85
Hopper capacity, weight	kg	91
Hopper dump height	cm	n/a
Power		
Power source		36V
Total power consumption	W	1680
Protection class	I/II/III	III
Sound level (DIN45635)	dB(A)	71
Propelling		
Transport speed	km/h	8
Working speed	km/h	6.5
Climbing capacity	%	18
Turning circle	cm	182

Configuration

- Battery-driven sweeper

The above mentioned configuration includes as standard a right hand side brush, flashing light and back-up alarm.

Accessories

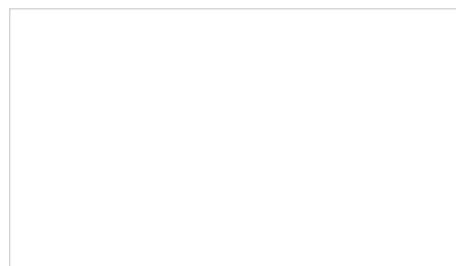

- Brushes (hard flooring & carpet) • Batteries • Chargers

Options

- Work light (front) • Left side brush • Vacuum wand

Warranty

24 Months (or max 2000 running hours) on parts and 12 months (or max 1000 running hours) on labour, whichever comes first, excluding wear items.
